Auto-Change 2

2009

duration: infinite and variable

CD Rom + sample object used in recording

Work presented in foyer. A sound piece that plays continuously, with a randomly changing, indeterminate structure. Sources: turntables, homemade cartridges, objects, surfaces. This version has infinite duration (never repeating in the same way). It is a video loop of turntable, objects and cartridge in use. A sandpaper disc, one of the objects used in the construction of the piece, is included with item. CD Rom comprises Adobe Shockwave audio Flash files.
